Advertising Requirements

Pre-approved Advertising

Pre-approved ad must be printed as is. No other copy or design revisions other than the addition of your contact information can be made without prior approval from EquiTrust Life Insurance Company. To customize this ad, highlight and replace the text in the shaded box with your contact information.

EquiTrust print ads, flyers and mailers may not be distributed to clients through email or other electronic-delivery systems.

Note Regarding Inserting Contact Information in Fillable Field

In order to change and save your contact information inside the fillable field, you need Adobe Acrobat on your computer. If you or someone in your office does not have the appropriate software, please send an email with the exact contact information you wish to appear in the ad, and the specific ad you want to use.

Prior to use, send a copy of the final ad proof to EquiTrust Life, with the following information:

- Name of agent or organization running the ad
- Phone Number
- Email address
- How or where the ad will be used (mailed, newspaper ad, etc.)
- States in which the publication will be distributed

Agent-Created Ads

If you create your own ad featuring an EquiTrust product — whether a fully disclosed ad with product name and issuer identified, or a “blind ad” with product name and issuer not identified — the ad must be submitted to EquiTrust for review prior to use. Include how the ad will be distributed (e.g., name of publication), states in which it will be distributed, and date of distribution.
