## EquiTrust is a name you can trust

When you're searching for a company that demonstrates integrity, strength and innovation — one that can help your clients meet their financial objectives — look no further than EquiTrust. EquiTrust is supported by a history of success, experience and strength.

Magic Johnson Enterprises — a diversified consortium of business entities and partnerships — owns a controlling interest in EquiTrust.

\*Limited time special. Go to Agents.EquiTrust.com/Specials for details.

Minimum Guaranteed Rates for fixed index annuities: 1-Year Interest: 1.00%; 1-Year Pt-to-Pt Cap: 1.00%; 1-Year Pt-to-Pt Participation: 10%; 1-Year Pt-to-Pt Participation: 10%; 1-Year Pt-to-Pt Participation: 10%; 1-Year S&P Intraday Pt-to-Pt Participation: 10%; 1-Year S&P MARC5 Participation: 10%; 1-Year Barclays Focus50 Participation: 10%. Free withdrawals on fixed index annuities: Interest only first contract year, 10% of Account Value years 2+.

Rate hold: Applications must be received in good order at EquiTrust by the day prior to the rate effective date to hold previous rate. Rates on 1035 Exchanges and Transfers will be held for 60 days from the date the application and supporting documents are received at EquiTrust. Funds received after 60 days will receive the interest rate in effect when the funds are received.

- <sup>1</sup> May vary by state
- <sup>2</sup> Maximum cumulative premium for all annuity products is \$2,000,000, except for Bridge maximum LTC Benefit at issue and WealthMax Bonus Life maximum face amount at issue are \$1,000,000 per client. Higher amounts require home office approval. After year 1, \$250,000 per contract year for MarketTen Bonus Index, MarketValue Index, MarketSeven Index, MarketFive Index, MarketEarly Income Index and MarketFuture Income Index.
- <sup>3</sup> If Inflation Rider is chosen, the maximum first-year coverage decreases to \$250,000 and the premium load is increased and varies by issue age and risk class
- <sup>4</sup> Long-term care benefits are typically tax-free under Internal Revenue Code Section 7702B. Generally, the maximum tax-free long-term care benefit payable from all coverage on the same insured is limited to the greater of actual qualified long-term care expenses or the per diem rate established by the IRS.
- <sup>5</sup> Available through age 80
- <sup>6</sup> By current company practice
- Accelerated Death Benefits may vary by state, including waiting periods after issue date, exclusion of Nursing Care Confinement or Chronic Care benefits, administrative fees, definitions of illness, or discount factors. Refer to the Accelerated Death Benefit Rider Disclosure included with the application for rider provisions in your state. Accelerated Death Benefits may be payable in the event of either terminal illness or chronic illness, but not both. Accelerated Death Benefits may be income tax-free. You should consult a qualified tax professional for information on how benefits received may impact your personal situation. The Accelerated Death Benefit shown is based on the initial face amount. Rider provisions, availability and definitions may vary by state.
- <sup>8</sup> Not available in all states
