### 3. TAX WITHHOLDING ELECTION (REQUIRED)

#### Federal Income Tax Withholding Information:

Federal withholding applies to the taxable portion of any payment made from your annuity contract or life insurance policy. Your withholding rate is determined by the type of payment you receive.

**NOTE: If you do not make a proper withholding election with your request, we will withhold federal income tax according to the mandatory rate required under law. You may be able to claim a credit for any amounts withheld when you file your tax return with the IRS.**

#### Nonperiodic Payments:

- For nonperiodic payments, the default withholding rate is 10%. You can choose to have a different rate apply by submitting **IRS Form W-4R** (Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions) and entering a rate between 1% and 100%. You may also choose to not have federal withholding apply.
- For an eligible rollover distribution, the default withholding rate is 20%. You can choose a rate greater than 20% by submitting **IRS Form W-4R**, but you may not choose a rate less than 20%.
- Generally, you can't choose federal withholding less than 10% for payments to be delivered outside the United States and its territories.

#### (select one option only)

- Do not withhold federal income tax for my payment.
- Withholding federal income tax at the applicable default rate of 10% or 20% as defined above.
- Withhold federal income tax based upon the submitted **IRS Form W-4R**.
- Withhold federal income tax at the rate of \_\_\_\_\_% or withhold the flat amount of \$\_\_\_\_\_
- You can access **IRS Form W-4R** (Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions) [here](#) and on the IRS website at IRS.gov

#### State Income Tax Withholding Information:

If you reside in the US, your state of residence may require or permit us to withhold state income tax. Some states may require you to use specific state forms. If you do not use the proper form or otherwise fail to properly communicate your withholding choice to us, we may withhold in accordance with state default withholding rules. It is your responsibility to determine any applicable state forms that may be required and to provide them to us.

- If your state allows voluntary withholding, you may be able to choose a state withholding rate that differs from the default rate or you may choose not to have state withholding apply.
- No state tax withholding will be taken for states where withholding is not available.
- If your state requires withholding at an amount greater than that indicated below, we will withhold the amount required by your state.
- State specific tax withholding requirements are subject to change at any time. Please consult a tax preparer or your state Department of Revenue for more information.

#### (select one option only)

- Do not withhold state income tax for my payment (if allowed).
- Withhold state income tax at the default rate applicable for my state.
- Withhold state income tax at the rate of \_\_\_\_\_% or withhold the flat amount of \$\_\_\_\_\_ (if allowed).

#### Additional Withholding Information:

If you elect not to have withholding apply to your distribution, or if you do not have enough tax withheld, you may be responsible for payment of estimated tax. You may also be subject to tax penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. Subject to specific exceptions under the Internal Revenue Code, any taxable distribution from an annuity contract prior to age 59½ may be subject to a 10% excise tax.
