

Ink Signature Requirements

When completing an electronic application there are forms that may require ink signatures to be mailed into the home office to complete the application process. One or more of these forms may be included in your application packet. Please see below:

Form Name	Form Number	Require Ink Signature?
Transfer/1035 Exchange	ET-TRN/1035-4902	Whether or not an electronic signature will be accepted on the Transfer/1035 Exchange form is up to the transfer company. Please check with the transfer company to verify if electronic signatures are accepted.
Replacement Form	Varies by state requirement	Whether or not an electronic signature will be accepted on the Replacement Form is up to the replacement company. Please check with the replacement company to verify if electronic signatures are accepted.
Automatic Deposit Authorization	ET-2513	An ink signature is not required. Electronic signatures are accepted.
Power of Attorney Certification	ET-POACERT-2500	Electronic signatures are accepted. A notarized signature is not required.
Trust Information/Certification	ET-TRUST-2502	Electronic signatures are accepted. A notarized signature is not required.
Charitable Remainder Disclosure	ET-2507	Electronic signatures are accepted.

Any form that requires ink signatures may be completed digitally and then printed for signature. Please mail ink-signed forms to:
