EXPLANATION OF INTEREST RATES

Initial Base Rate: The Initial Base Rate applies to the Initial Rate Guarantee Period. The base interest rate for each subsequent rate guarantee period will be determined by us at our discretion.

Subsequent base rates may be higher or lower than the Initial Base Rate. Subsequent base rates may differ from the base rate used for new contracts or for other contracts issued at different times. We will determine the base rate on a basis that does not discriminate unfairly within any class.

Rate Guarantee Periods: The Initial Rate Guarantee Period is the time period for which the Initial Base Rate is guaranteed. The Subsequent Rate Guarantee Period is the time period for which each subsequent base rate is guaranteed. Each subsequent rate guarantee period begins immediately following the end of the prior rate guarantee period. We have the discretion to limit the duration of Subsequent Rate Guarantee Periods to the duration of the Initial Rate Guarantee Period.

Minimum Guaranteed Interest Rate: Base rates credited are guaranteed never to be less than the Minimum Guaranteed Interest Rate, which is shown on the Contract Data page.

SCHEDULE OF SURRENDER CHARGES

The Surrender Charge is measured from the beginning of each Rate Guarantee Period. The Surrender Charge equals the amount of the Accumulation Value surrendered or withdrawn, including any penalty free Partial Surrenders taken in the same Contract Year, times the applicable Surrender Charge Percentage. The percentage is shown below:

Year of the Rate Guarantee Period	1	2	3	4	5	6
Percentage	10	10	9	9	8	8

SURRENDER CHARGES
VARY BY GUARANTEE
PERIOD CHOSEN AND MAY
VARY IN CERTAIN STATES.

There is no Surrender Charge during the 30-day period before the end of each Rate Guarantee Period. During the 30-day period before the end of each Rate Guarantee Period, You may elect one of the following options:

1. Apply the Accumulation Value at the end of the current Rate Guarantee Period to the subsequent Rate Guarantee Period; or
2. Begin payments under a Payment Option; or
3. Make a partial withdrawal without a Surrender Charge; the remaining Accumulation Value at the end of the current Rate Guarantee Period will be applied to the subsequent Rate Guarantee Period; or
4. Make a full surrender without a Surrender charge.

If no election is made, option 1 above becomes effective.

1. GENERAL DEFINITIONS

Age means Age at the last birthday.

Annuitant means the person(s) on whose life the annuity benefit for this Contract is based.

Beneficiary means the person or entity you have chosen to receive the Proceeds of the Contract on the Owner's death, as shown in our records. There may be different classes of Beneficiaries, such as primary and contingent. These classes set the order of payment. There may be more than one Beneficiary in a class.

Contract is this document, issued to you in consideration of the payment of the Single Premium. It includes any attached application, amendments, endorsements, or riders. Only our President, a Vice President or Secretary can change, modify or waive the provisions of the Contract.

Contract Anniversary(ies) means the same date in each year as the Contract Date.

Contract Date means the date on which the Contract is effective (Effective Date). Contract Years and Anniversaries are measured from the Contract Date. The Contract Date is shown on the Contract Data Page.

Contract Year means the 12-month period that begins on the Contract Date or on a Contract Anniversary.

Effective Date as it appears in any attachments to the Contract means the Contract Date, unless otherwise noted.

Income Date means the date, as chosen by you, when the annuity benefits would begin for the Owner. The Income Date is shown on the Contract Data page and is the last age that completes a full Rate Guarantee Period on or before age 100. The Income Date may be changed, but may be no earlier than the end of the first Rate Guarantee Period. The Income date may not be changed after payments begin.

Nonparticipating means the Contract will not pay dividends. It will not participate in any of our surplus or earnings.

Owner means the person (or persons) who owns the Contract, as shown in our records, and who is entitled to exercise all rights and privileges provided in the Contract. The original Owner is shown on the Contract Data Page. The term "person", includes a trust, corporation, partnership, association, or like entity for this purpose.

Proceeds mean the amount payable under the Contract.

2. PAYMENT OF PROCEEDS

On the Income Date, or at the end of a Rate Guarantee Period, we will pay the Proceeds of the Contract to the Contract Owner(s) if the Annuitant is living, unless Section 2.3 applies. You must elect, at least 30 days prior to the Income Date or the end of a Rate Guarantee Period, to have the Proceeds paid under one of the Payment Plans set out in Section 6. If no election is made prior to the end of the Rate Guarantee Period, we will apply the Proceeds at the end of the current Rate Guarantee Period to the subsequent Rate Guarantee Period. If no election is made prior to the Income Date, Proceeds will be paid automatically as a monthly income for a minimum of 120 months and as long thereafter as the Annuitant lives.

2.1 Death of Annuitant

If the Owner is not the Annuitant, and any Annuitant (and any Joint Annuitants) dies while this Contract is in-force, all Owners must:

- (a) notify us within 90 days; and
- (b) choose a new Annuitant.

If all Owners do not choose a new Annuitant within 90 days of any Annuitant's death, the oldest of all Owners becomes the Annuitant.

For purposes of this section, if any Owner of this Contract is not a natural person, the death of the Annuitant shall be treated as the death of an Owner.

2.2 Surrender of Contract - Any time prior to the Income Date, you may ask in a form acceptable to us to receive the Cash Surrender Value of the Contract. Proceeds payable to you on full surrender of the Contract will be the Cash Surrender Value as defined in Section 5.2. Proceeds payable on a Partial Surrender of the Contract will be as defined in Section 5.6. We may require the Contract to be returned to us when the Proceeds are paid.

2.3 Death of Contract Owner

Proceeds payable upon death will be the Death Benefit as defined in Section 5.4.

- (a) If any Owner of the Contract dies before the Income Date, the following applies:
 - (i) If the sole, designated Beneficiary is the deceased Owner's spouse, the Contract will continue and, if the deceased Owner was also the Annuitant, the deceased Owner's spouse will also be the Annuitant.
 - (ii) If the designated Beneficiary of the deceased Owner's interest is someone other than the deceased Owner's spouse, the entire interest in the Contract must be distributed: (a) within 5 years of the deceased Owner's death; or (b) as to the portion of the deceased owner's interest in the Contract, over the life of the designated Beneficiary or over a period not extending beyond the life expectancy of the designated Beneficiary, with payments beginning within one year of the deceased Owner's death.

If the deceased Owner was the Annuitant, the new Owner will be the Joint Owner, if any, or the Beneficiary if there is no Joint Owner. If the deceased Owner was not the Annuitant, the new Owner will be the Joint Owner, if any, or the Annuitant if there is no Joint Owner. If the new Owner under Section 2.3(a)(ii) dies after the deceased Owner but before the entire interest has been distributed, any remaining distributions will be paid to the new Owner's estate.

- (b) If any Owner dies on or after the Income Date, but before all Proceeds payable under the Contract have been distributed, we will continue payments to the Beneficiary under the payment method in effect at the time of the deceased Owner's death.
- (c) If anything in the Contract conflicts with the foregoing Death of Owner provisions, those provisions shall control. The foregoing Death of Owner provisions and the Contract shall, in all events, be construed in a manner consistent with Section 72(s) of the Internal Revenue Code of 1986, as amended.

2.4 Interest on Proceeds Payable at the Owner's Death - If Proceeds are not paid in one sum or applied under a Payment Plan within 30 days after we receive due proof of the Owner's death, we will pay interest on the Proceeds. Interest will be paid at the rate required by applicable state law from the date we receive due proof of death until the Proceeds are paid or applied under a Payment Plan.

2.5 Exemption of Proceeds - All payments of Proceeds under the Contract will be made from our Executive Office. To the extent allowed by law, the Proceeds will be free from creditors' claims or legal process.

3. OWNERSHIP, ASSIGNMENT AND BENEFICIARY(IES) PROVISIONS

3.1 Ownership - As the Owner, you can exercise the rights given by the Contract provided, however, that no Ownership rights will exist if Section 2.3(a)(ii) applies. You can change the Owner at any time during the Annuitant's life. Any change in Ownership must be requested at our Executive Office. The request must be in a form acceptable to us. The change will go into effect when recorded by us, subject to any payments we make or actions we take before we record the change.

If the Contract is owned by a trust, corporation, partnership, association or other like entity the Annuitant is considered the Owner for purposes of the death benefit provision.

3.2 Assigning Your Contract - You can assign your rights under the Contract to someone else. Such an assignment is not a change of Ownership. Consent of any Irrevocable Beneficiaries is required before any such assignment is effective.

To assign your Contract, you must make a request to our Executive Office. The request must be in a form acceptable to us. The change will go into effect when we receive the assignment, or a copy, and it is accepted and recorded by us, subject to any payments we make or actions we take before we record the assignment. We are not responsible for the validity or effect of any assignment, including any tax consequences.

3.3 Beneficiary - You may name any Beneficiary to be an Irrevocable Beneficiary. The interest of an Irrevocable Beneficiary cannot be changed without his or her consent. Otherwise, Beneficiaries can be changed as explained below.

Unless you state otherwise, all rights of any Beneficiary, including an Irrevocable Beneficiary, will end if he or she dies before the Owner. If any Beneficiary dies before the Owner, that Beneficiary's interest will pass to any other Beneficiaries according to their respective interests. If all Beneficiaries die before the Owner, upon the Owner's death we will pay the Proceeds to your estate or legal successors.

You can change the Beneficiary at any time during the Annuitant's life. To do so, make a request to our Executive Office. The request must be in a form acceptable to us. The change will go into effect when recorded by us, subject to any payments we make or actions we take before we record the change.

A change cancels all prior Beneficiaries; except, however, a change will not cancel any Irrevocable Beneficiary without his or her consent. The interest of the Beneficiary will be subject to:

- (a) any assignment of the Contract, accepted and recorded by us prior to the Annuitant's death; and
- (b) any Payment Plan in effect on the date of the Annuitant's death.

- 3.4 Simultaneous Death of Beneficiary and Owner** – Proceeds will be paid as though any Beneficiary died before the Owner if:
- (a) the Beneficiary dies at the same time as the Owner; or
 - (b) within 24 hours of the Owner's death.

4. PREMIUM

The Single Premium for the Contract is payable no later than the Contract Date. There is no Contract until the Single Premium is paid. If a check presented as payment of the Single Premium for a Contract is not honored, the Contract will be void. We reserve the right to limit or restrict the amount of a Premium payment as we deem appropriate. No additional Premiums are allowed after the Contract Date.

5. CONTRACT VALUES

- 5.1 Accumulation Value** - On the Contract Date, the Contract's Accumulation Value equals the Single Premium Paid. At any time after the Contract Date, the Contract's Accumulation Value equals the Single Premium Paid less the amount of any prior partial surrenders, plus accumulated interest.

The Initial Base Interest Rate for the Single Premium Paid is shown on the Contract Data Page and is credited daily, compounded annually. The Minimum Guaranteed Interest Rate is stated on the Contract Data Page, and is credited daily, compounded annually. We may credit excess interest while the Contract is in force and before the Proceeds have been paid. Excess interest will be declared in advance and will not be changed more frequently than once during any twelve-month period.

- 5.2 Cash Surrender Value** - At any time on or prior to the Income Date, you may ask, in a form acceptable to us, to receive the Contract's full Cash Surrender Value in a single sum. The Cash Surrender Value of this Contract equals the greater of: (a) the Minimum Guaranteed Contract Value; or (b) the Accumulation Value less a Surrender Charge in effect at the time of surrender, plus the Market Value Adjustment described in Section 5.5.

In no event will the Cash Surrender Value be less than the Minimum Guaranteed Contract Value defined in Section 5.3 of your Contract. The rate of interest will be set by Us but will never be less than the Minimum Guaranteed Interest Rate shown on the Contract Data page. Upon full Surrender, this Contract will cease to have any further value.

- 5.3 Minimum Guaranteed Contract Value** - The Minimum Guaranteed Contract Value equals 87.5% of the Single Premium Paid, less Partial Surrenders, if any, accumulated at the Minimum Guaranteed Contract Rate as defined in the Contract Data Pages.

- 5.4 Death Benefit Value** – The death benefit is the larger of (a) the Contract's Accumulation Value; or (b) the Minimum Guaranteed Contract Value.

- 5.5 Market Value Adjustment** – We may apply a Market Value Adjustment (MVA) to amounts withdrawn or surrendered from this Contract.

The Market Value Adjustment is calculated by multiplying the MVA Factor by the amount withdrawn or surrendered. The MVA Factor is equal to:

$$0.50 \times [[(1 + s) / (1 + c + 0.005)]^{n/12} - 1]$$

Where:

s = an index rate, determined at the beginning of the current rate guarantee period, (based on the Treasury Constant Maturity Series published by the Federal Reserve) for a security with time to maturity equal to the current rate guarantee period.

c = an index rate, determined at the time of MVA calculation, (based on the Treasury Constant Maturity Series published by the Federal Reserve) for a security with time to maturity equal to the current rate guarantee period.

n = the number of complete months remaining to the expiration of the current rate guarantee period.

If the Treasury Constant Maturity Series is no longer published, We will use a substantially similar index. If required, any change in the Treasury Series/index used will be filed with the proper regulatory authority for prior approval. Rates will be interpolated between those for nearest maturities, when necessary.

The MVA can be positive or negative. The MVA Factor, either positive or negative, will be limited to the difference between the current rate guarantee period Base Rate and the Minimum Guaranteed Interest Rate. In no case will the MVA cause the Cash Surrender Value to be greater than the Accumulation Value or less than the Minimum Guaranteed Contract Value.

5.6 Partial Surrender – You may make a Partial Surrender at any time prior to the Income Date by giving notice to Us. You may withdraw interest earned and not previously withdrawn without a Surrender Charge or Market Value Adjustment.

Partial Surrenders may be taken through a single withdrawal or multiple withdrawals. Partial Surrenders in excess of interest earned may be subject to a Surrender Charge or MVA. If the Contract is subsequently surrendered during the Contract Year, the Surrender Charge and MVA will be applied to any previously uncharged Partial Surrender amounts taken in the same Contract Year.

The amount withdrawn at any one time must be at least \$250. If the Cash Surrender Value after a Partial Surrender is less than \$2,000, We reserve the right to pay the remaining Cash Surrender Value to You as a full surrender.

5.7 Surrender Charge – We calculate the Surrender Charge as Your Accumulation Value, including any previously uncharged Partial Surrender amounts taken in the same Contract Year, multiplied by the Surrender Charge percentage shown on the Contract Data Page.

The initial Surrender Charge period begins on the Contract Date; subsequent Surrender Charge periods are measured from the beginning of each Rate Guarantee Period; the Surrender Charge varies by year as shown on the Contract Data Page.

5.8 Payment Deferral - We may delay payment of any amount surrendered for up to six months or the period allowed by applicable state laws.

5.9 Basis of Computation - The reserves and guaranteed values will at no time be less than the minimum required by the laws of the state in which this Contract is issued.

6. PAYMENT PLANS

At the end of a Rate Guarantee Period, the Proceeds can be left with us and paid under a Payment Plan. If you have not chosen a plan prior to the Annuitant's death, the automatic option as described in Section 2 will be applied.

A plan is available only if the periodic payment is \$100 or more.

Upon receipt of a request to our Executive Office, we will send you the proper forms to choose a plan. The plan will go into effect when the forms are recorded at our Executive Office.

If the person named to receive payments is other than a natural person (such as a trust or corporation), a plan will be available only with our consent. If, for any reason, the person named to receive payments is changed, the change will go into effect when notification is recorded by us subject to any payments we make or actions we take before we record the change.

The minimum amounts payable for each of the Payment Plans described below are based on the amount applied earning interest at the Payment Plan Minimum Interest Rate stated on the Contract Data Page. We may pay a higher interest rate at our discretion. The minimum payments for Plans A and B assume annual payments with the first payment made one year after the Income Date. The mortality table used for Option B is as stated on the Contract Data Page.

6.1 Plan A. Fixed Period - The Contract Proceeds will be paid until the Proceeds, plus interest, are paid in full. Payments may be paid monthly or annually. The payment period cannot be more than 30 years nor less than 10 years. The table below shows the annual payment for each \$1,000 of Proceeds applied with payments starting one year after Proceeds have been applied to this Payment Plan.

15	73.84	6.20
20	57.38	4.81

6.2 Plan B. Life Income - The Contract Proceeds will be paid in monthly or annual payments for as long as the Owner or Beneficiary, whichever is appropriate as stated under Section 2, lives. You may choose one of the guaranteed periods shown in the Option B - Payment of Life Income table in this Contract. We have the right to require proof satisfactory to us of the age and sex of such appropriate person and that such appropriate person is alive prior to making any payment. A minimum number of payments may be guaranteed, if desired.
