## 1.0 OVERVIEW

As the leading industry platform with several large carriers, RegEd's Annuity Training Platform is the solution for reducing the annuity training burden and keeping producers focused on selling.

- + Producers are able to easily register and meet multiple carrier requirements on one platform, providing access to state suitability and carrier-specific product training courses.
- + Distributors can see an agent's complete compliance profile for annuities training, including both state suitability requirements and carrier-specific product training.
- + Producers can easily maintain compliance with the state suitability requirements for the states in which they sell annuities. The platform has an extensive rule base to determine reciprocity rules and initial and ongoing training requirements.

The main page of the Annuity Training Platform displays a map of the United States. Hover over each state to view basic annuity training requirements or click on the state to view a more in-depth description of each state's requirements and reciprocity rules.

### 3.0 PRODUCT TRAINING

- Product training is assigned automatically by a carrier through daily data feeds to RegEd or ordered with a product code by the user. Upon login, the Producer Status page displays all currently assigned and ordered carrier-specific product training. The user is also shown their current annuities state suitability compliance summary. To update RegEd with states the user is licensed in, select **Manage My State Suitability Requirements**.

#### 3.1 Assigned Product Training

Assigned product training displays for the user on the main page. Courses are grouped by the carrier and immediately accessible by selecting the **Go To Requirement** button. Assigned product training courses are also accessible from the left frame menu, grouped by Carrier name.

**Producer Status**

Although RegEd, Inc. takes reasonable steps to ensure that the information displayed through the Annuities Training Platform is current and correct based on the data provided to it, it neither warrants nor guarantees its accuracy or timeliness. Producers should verify their product training and continuing education requirements and status on the websites of the state departments of insurance where they hold licenses and with their carriers, as appropriate.

Select a course and an informational service page will display, then select **Proceed** to begin the course. If the carrier has chosen not to display a service page for the course, the course will begin immediately.

Use the buttons ( ) in the bottom middle of the page to navigate through the course. There is an X button in the top right to leave the course ( ) and return at a later date.

#### 3.2 Enter Product Code

If a carrier has provided a Product Code (or a Just-In-Time code) to access a course, enter the code to immediately add the course as an available option on the Producer Status homepage. The product code can be entered:

- + in the field within the Carrier-Specific Training section
- + by selecting Enter Product Code on the left-side menu and entering the code on that page

**Just-In-Time Product Training**

Please supply the Product Code provided by your carrier below.

After you supply the Product Code your assigned carrier-specific requirement(s) will appear on your Producer Status page to complete. If you do not complete the assigned carrier-specific requirement(s), you may come back and re-enter the Product Code provided at any time to access the requirement(s) again.

Your carrier will be notified of the status of your completion(s).

**Product Code:**

After selecting **Submit**, you are returned to the Producer Status page and the new course is listed under the program status grid under Carrier-Specific Product Training.

## 4.0 MANAGE MY STATE SUITABILITY REQUIREMENTS

Users are able to indicate in which states they are licensed. This allows the ATP platform to help the user stay up-to-date on training requirements.

**Producer Status**

CE credit will be ordered with the appropriate Annuity course for each state the user has entered on the Producer Page through **Manage My State Suitability Requirements**. Review and confirm the information on the page, then select **Submit Your Order**. The user is then required to enter credit card information to pay any applicable fees. The user can then complete the course order by selecting **Submit Your Order** on the bottom of the page. The user is returned to the My Courses page and the new course is available to begin via the **Go To Course** link.

## 6.0 OPTIONAL INSURANCE CE

The optional insurance CE catalog allows the user access to RegEd's insurance course catalog. The user is able to order insurance courses and CE in various states. RegEd rosters the CE completion to the state(s) automatically once the course is complete. Upon selecting the Optional Insurance CE menu item, the user is taken to the My Courses page, showing any ordered courses or courses already in progress.

- + Click **Select New Courses and CE Credit** button to begin.

- + Select the radio button for **“I want to receive Insurance and/or Professional Designation CE Credits”** to choose a course that offers continuing education credits.

- + Select a state for CE credit from the dropdown option that appears. Multiple states can be chosen by selecting additional states from subsequent dropdown lists.
- + Select a specific type of CE credit (annuity, ethics, long term care, etc.) as a filter to only display courses that satisfy this credit type. The list of credit types is only available after selecting a state from the drop down as each state may have approved different RegEd courses for different types of CE credit. The user may select any combination of checkboxes.

Retain your certificates for your records and for your license renewal process. In addition, we will notify the state of your successful completion. This state notification process occurs each business day.	
<b>Notes:</b>	<b>Please Note:</b> Time of course completion is recorded under Eastern Standard Time.  <b>IMPORTANT CE NOTICE:</b> The completion date that appears on your certificate of completion and course credit reporting roster will be the date that all state requirements are met. The requirements include: CE order, successful exam completion, and submission of a monitor/proctor affidavit.  Approvals for insurance CE are subject to change. Before completing your course, please ensure that the credits for which the course is approved have not changed.  Users must select to receive insurance CE credit at the time of course order. Upon entry of the examination, the examinee will have 24 hours to complete the examination. After the 24 hour period, you will have to restart the examination process.  To view your <b>Long Term Care Product Training requirements</b> by state, click <a href="#">HERE</a> .	

- + Read the state information carefully to ensure compliance with each state's rules and regulations regarding CE completion. If multiple states were selected, the page details information for each state's requirements.
- + Select **Proceed** at the bottom of the page.

- + Enter personal information required to complete the CE order then select **Submit Your Order** at the bottom of the page.
- + A credit card payment screen will appear next. Enter valid credit card information and select **Submit Your Order** at the bottom of the page to complete your course CE order. The user will then move back to the **My Courses** page with the new insurance course(s) available to begin.
- + RegEd rosters the CE to the appropriate state upon completion of each course where CE credit was ordered.

The My Certificates page lists any completed CE, the date completed and a link to download the certificate of completion.

The My Account page allows the user to update personal information saved in RegEd, such as login security questions, national producer number, business address and home address. This page also displays order history and allows the user to view receipts from past orders.

## 9.0 ADMINISTRATIVE FEATURES

### 9.1 Producer Lookup

Administrative users are able to look up an individual producer by a combination of name and national producer number or name and social security number. Administrators are able to lookup producers that have accessed or completed their firm's product training.

The screenshot shows the RegEd application interface. On the left is a dark sidebar with a 'MENU' label and a 'Welcome Karen Jones' message. The 'Producer Admin Status' menu item is highlighted with a purple bar and a circled '1'. The main content area is titled 'Producer Status' and contains a form titled 'Please enter the producer's identification information'. The form has four input fields: 'First Name', 'Last Name', 'National Producer Number', and 'Social Security Number'. The 'National Producer Number' and 'Social Security Number' fields are split into three separate boxes each. A 'Search' button with a magnifying glass icon is at the bottom of the form. A circled '2' points to the input fields, and a circled '3' points to the 'Search' button.

- + **Step 1:** Select **Producer Admin Status**.
- + **Step 2:** Enter the producer's **First Name**, **Last Name**, and **National Producer Number** or **Social Security Number**.
- + **Step 3:** Select **Search**.

The screenshot shows the RegEd application interface after a search. The sidebar is the same, but the 'Producer Admin Status' menu item is still highlighted. The main content area is titled 'Search Results' and displays a table with the following data:

Action	First Name	Last Name	National Producer Number	Social Security Number
	John	Smith	1111111	XXX-XX-1111

A circled '4' points to the magnifying glass icon in the 'Action' column of the table.

- + **Step 4:** Select the magnifying glass to view training assignment and completion information for a producer.
