

Trouble Shooting for Agent Gateway Website

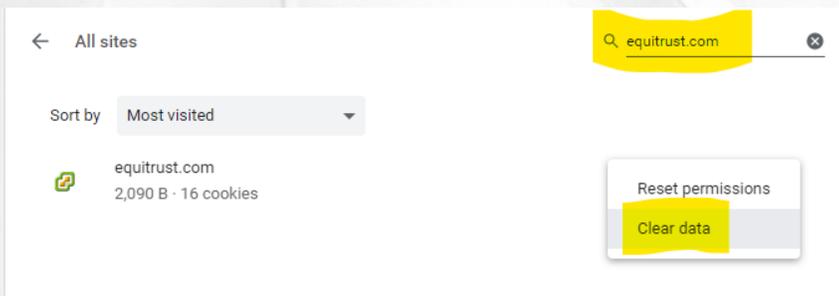

Options to Clear Cookies, Temporary Files and History

Option 1: The first and easiest way is to simply hold down the shift key and press the refresh button (highlighted in the screenshot below).

Option 2: (Clear just the EquiTrust Site Data)

- In Chrome navigate to: `chrome://settings/content/all`
- Search for 'equitrust.com'
- Click 
- Choose 'Clear Data'

Option 3: (Most aggressive option)

- In Chrome navigate to: `chrome://settings/clearBrowserData`
- Change Time Range to 'All Time'
- Click 'Clear Data'
