

BUILD RETIREMENT INCOME WITHOUT MARKET RISK

A fixed index
annuity can be a
valuable addition
to your retirement
strategy.

MarketValue Index[®] by EquiTrust can help you reach your financial goals for the future.

- Your savings grows based on the performance of market indices
- Downside protection shields you from losing money in the annuity
- Tax-deferred growth helps maximize the power of compounding interest
- The optional Income Benefit Rider provides **guaranteed¹ income for life**

MarketValue Index is designed to help you grow your retirement savings through interest earned based on the performance of market indices. Your annuity value increases when the index goes up, but won't decrease when the index goes down.
